Game Essentials

SIM CITY™
THE ORIGINAL CITY SIMULATOR

## GETTING STARTED GUIDE

How to Insert the Game Essentials Card
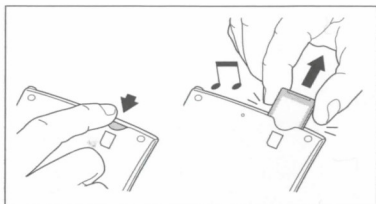

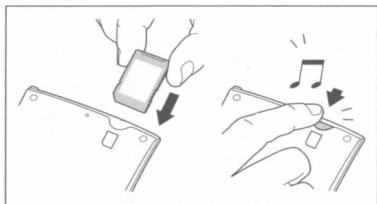

For Palm™ m125, Palm™ m130, Palm™ m500 Series, Palm™ i705, Handspring Treo 90 and Kyocera 7135 smartphone, card label should face the rear of the device.

For Palm™ Tungsten™ Series and Palm™ Zire™ 71, card label should face the front of the device.

How to Open Game Essentials

After you insert the card, the Game Essentials launcher screen will be displayed. If the card does not open automatically, select Game Essentials from the drop down menu in the upper right hand corner of the home launcher screen. From the Game Essentials launcher screen, tap the game title for the game you wish to play. A title screen for the chosen game will appear.

How to Get Instructions for Play

9-Ball Pinball
Objective: Score points by keeping the ball in play and bouncing off different obstacles with varying point values.
For instructions: Tap Menu / Instructions

Atum™
Objective: Score points by connecting Atums to make complete molecules.
For instructions: Tap Menu / Options / Help

Billiards
Objective: Play pool and billiards against artificial intelligence.
For instructions: Tap Menu / Game / Instructions

ChromaGames (Checkers, Chess, Backgammon)
Chess Objective: Checkmate the opponent's king.
Backgammon Objective: Remove all of one's own pieces form the board before the opponent does the same.

Checkers Objective: Place the opponent in a position from which he has no valid move.
For instructions: After choosing a game, tap Menu / Game / Rules

Ricochet
Objective: Use your ship to keep the Ion Sphere in the air until all of the bricks have been destroyed.
For instructions: Tap "Help" on the Ricochet title screen.

Shanghai
Objective: Clear all tiles from the screen by matching identical tiles in over 100 layouts.
For instructions: Tap Menu / Options / How to Play

SimCity™
Objective: Plan and maintain an efficient simulated city as its mayor.
For instructions: Tap Menu / Options / Help
