

Read this for important information
about the Handango Software Suite
you've purchased.

Register your Handango Software Suite online at
www.handango.com/register
and receive **10% OFF** your next purchase
of handheld software from Handango.

Also, when you register online, you will be able to check for
and install any recent updates of your software (if applicable).

If you do not have Internet access,
you may fill out the card below and mail it to Handango at the address provided.

Installation Instructions:

To access your Handango Software Suite, insert the enclosed CD into your PC's CD-ROM drive. The installation should start automatically. (If it doesn't, select "Run" from the Windows Start menu and click "Browse". Find your CD drive and choose the "Startup" file.)

Enter the serial number below in the box under the "Install Your Software" tab on the CD to begin the installation process. After you install each application, perform a HotSync® operation.

For additional help, visit **www.handango.com/cdhelp**.

Serial Number:

(Enter **FIRST** on CD to INSTALL)
